

# RAKESH

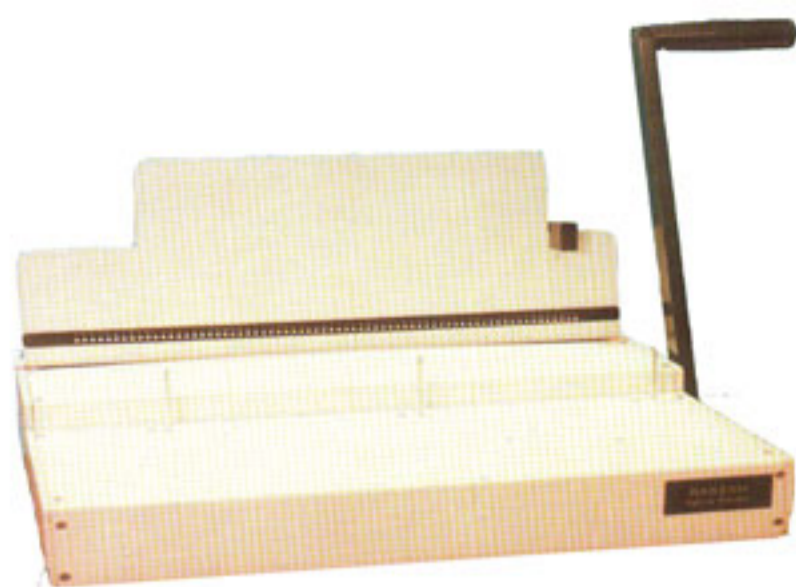

## SPIRAL BINDING SYSTEM

The RAKESH range of spiral binding machines have proven to withstand the most rugged use and the best value for money. Spiral Binding is most economical and also efficient book binding solution. And with our range of Spiral Binders you can have the best of it.

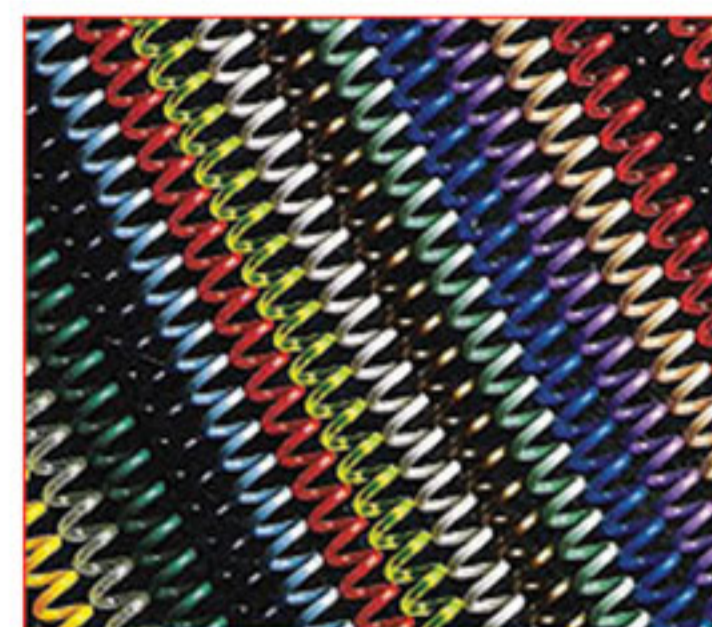

With RAKESH Spiral binding systems...

**...Bind your ideas with a PUNCH!!**

Spiral Binding machines are very easy to operate and are also very economical in overall use. Our range of Spiral binding systems include Manual Punch and Electric Punch systems which have proven to operate efficiently in the most rugged and heavy duty jobs. The spiral punches can be custom made to fit any specific customer's needs.

Spiral binding coils are comparably low cost and very durable. The spiral coils are available in a wide range of diameters and colors to match every cover material and book thickness.
