

Paper Trimmer

Photo	Model	Description and spec
	<p style="text-align: center;">GUILLOTINE HD-A3</p>	<p>Plastic matetial: ABS Blade matetial: carbon steel 45# made in china Blade thickness: upper blade thickness is 2.5mm.below blade thickness is 4mm Blade hardness: 12-36(HRC) Max cutting size: 297mm×420mm N.W.: 5.5kg Max sheets blade can cut: 12 sheets for A3 paper</p>
	<p style="text-align: center;">GUILLOTINE HD-B4</p>	<p>Plastic matetial: ABS Blade matetial: carbon steel 45# made in china Blade thickness: upper blade thickness is 2.5mm.below blade thickness is 4mm Blade hardness: 12-36(HRC) Max cutting size: 257mm×364mm N.W.: 4.5kg Max sheets blade can cut: 12 sheets for A4 paper</p>
	<p style="text-align: center;">HD-12B 12"</p>	<p>Length×width× high: 550X 320X 100mm Blade material: upper blade material is 65 Mn, below blade material is 45# steel Blade thickness:upper blade thickness is 0.5mm, below blade thickness is 4mm Blade hardness: 50±2(HRC)for upper blade, 30±2(HRC)for below blade Maximum sheets blade can cut: 12 sheets for 80g paper Net weight: 4 kg Cutting length: 360 mm</p>
	<p style="text-align: center;">HD-24B 24"</p>	<p>Length×width× high: 790X 350X 100mm Blade material: upper blade material is 65 Mn, below blade material is 45# steel Blade thickness:upper blade thickness is 0.5mm, below blade thickness is 4mm Blade hardness: 50±2(HRC)for upper blade, 30±2(HRC)for below blade Maximum sheets blade can cut: 12 sheets for 80g paper Net weight: 6 kg Cutting length: 600 mm</p>
	<p style="text-align: center;">Cutmaster</p>	<p>Plastic material: ABS Blade material: carbon steel 45# made in China Blade thickness:6 mm</p>

	<p>12" (A4)</p>	<p>Blade hardness: 32-36(HRC) Maximum sheets blade can cut: 16 sheets for A4 paper Net weight: 3.5 kg Cutting length: 300 mm</p>
	<p>Cutmaster 15" (B4)</p>	<p>Plastic material: ABS Blade material: carbon steel 45# made in China Blade thickness: 6 mm Blade hardness: 32-36(HRC) Maximum sheets blade can cut: 16 sheets for A4 paper Net weight: 4 kg Cutting length: 15 inch</p>
	<p>Cutmaster 18" (A3)</p>	<p>Plastic material: ABS Blade material: carbon steel 45# made in China Blade thickness: 6 mm Blade hardness: 32-36(HRC) Maximum sheets blade can cut: 16 sheets for A4 paper Net weight: 5 kg Cutting length: 18 inch</p>
	<p>HD-GA3</p>	<p>Plastic material: ABS Blade material: 65 Mn Blade thickness: upper blade thickness is 0.3mm, below blade thickness is 0.4mm Length×width× high: 560X 210X 75mm Maximum sheets blade can cut: 8 sheets for 80g paper Net weight: 1.55 kg Cutting length: 430 mm</p>
	<p>HD-GA4</p>	<p>Plastic material: ABS Blade material: 65 Mn Blade thickness: upper blade thickness is 0.3mm, below blade thickness is 0.4mm Length×width× high: 435X 210X 75mm Maximum sheets blade can cut: 8 sheets for 80g paper Net weight: 1.2 kg Cutting length: 320 mm</p>
